From

Bangalore 26th August 1875.

The Registrar of the
Chief Court of Mysore

To

The General Secretary to the
Government of Mysore.

Sir,

I am directed to bring to the notice of Government that the present arrangement under which the Additional Munsiff is deputed to work partly at Mysore and partly at Bangalore, by turns, is unsatisfactory; inasmuch as, while not unfrequently he has to leave cases partly heard by him undisposed of and to be decided by another Judge, he is unable to afford permanent relief to either of the Munsiffs.

2 The work in the Munsiffs' Courts at Bangalore and Mysore, who becomes no Small Cause jurisdiction, and in

the

the Munsiffs' Court at Seringapatam, is so heavy, that it is not possible for a single judge, unaided, to dispose of it, with due despatch and efficiency, and repeated have been the applications for help made by the District Judges of Mysore and Bangalore. Looking to the pending files of both the Munsiffs' Courts referred to, it is impossible to say that their applications are unreasonable, but as there is only one Additional Munsiff available, one or the other of the Courts must necessarily suffer from overwork. In this connection it may be noted that a review of the periodical returns also shows that a large percentage of contested suits are frequently adjourned for want of time, thereby putting the suitors to considerable expense and inconvenience.

3. To obviate the inconvenience which such a state of things must necessarily cause, it is proposed that 2 Additional Munsiffs' Courts may be permanently

Established

established - one at Bangalore and the other at Mysore - to give the Munsiffs referred to above, the much needed relief. Both at Mysore and Bangalore, the Taluk and Taluq may be given to each of the permanent Munsiffs, with Small Cause jurisdiction up to Rs 50 and the other Taluks now forming the jurisdiction of each of the said Munsiffs, may be given to the Additional Munsiff, with similar Small Cause jurisdiction. This arrangement would admit of a fair distribution of work among the Munsiffs, ensure its expeditious disposal, and also relieve considerably the Sub Judges at both places of a great portion of their Small Cause work. The only Munsiffs who do not exercise Small Cause jurisdiction are those of Bangalore and Mysore. The arrangements now proposed will secure uniformity of procedure and afford considerable relief to Sub Judges.

4 It may here be mentioned that in addition to the District Judge of Mysore,

so far back as July 1893, recommended the establishment of a permanent Additional Munsiffs' Court at Mysore, with Small Cause jurisdiction up to Rs 50, and original jurisdiction over T. Narsipur and Hunsur Taluks, as both these Taluks would furnish ample work for the Additional Munsiffs' Court, and leave the other Munsiff of Mysore to exercise jurisdiction over the Mysore Taluk, including the town, from which no less than 683 cases were filed annually exclusive of Small Causes. The Sub Judge being thus relieved of a considerable portion of his Small Cause work, would be able to dispose of the other cases on his file more expeditiously, than at present, without much of the valuable time of the Court being taken up in the trial of petty cases.

5 The number of cases from Hunsur and T. Narsipur Taluks is estimated at about 300 a year, exclusive of Small Causes which would amount to about 275. In addition to

disposing

disposing of this work, the Additional Munsiff may, if necessary, be occasionally deputed to afford relief to the Seringapatam Munsiff, or a certain number of cases from that Court may be transferred to the Additional Munsiff for disposal. This would, in no way, put the parties to any great inconvenience, as the distance between Mysore and Seringapatam is not very great, and as people in Seringapatam have business relations in Mysore which frequently take them there.

6. In Bangalore, the Sub Judge had, from 1st July 1874 to 8th April 1875, 2,313 Cases, i.e. 72 original Suits and 2,241 Small Causes. Of the latter, 1743 were for sums of Rs 50 and under. The remaining 498 suits only were above Rs 50 and not exceeding Rs 100. If both the Munsiffs at Bangalore are invested with Small Cause jurisdiction up to Rs 50, the Sub Judge would be relieved of more than 3/4 ths of his Small Cause work which will be a great relief to him. The Munsiff of

Bangalore

Bangalore (Town and Taluk) will then have about 700 original Cases, and about the same number of Small Causes. The Additional Munsiff will have about 500 original Suits from the marginally noted Taluks, and about the same number of Small Causes. Both the Munsiffs being located at one and the same station, arrangements can always be made to transfer Cases from the heavier Court to the other, in order to equalize the work.

7 The Sub Judge at Bangalore is not, at present, able to take up Criminal work. If the proposed arrangement be sanctioned, he will be able to afford some relief to the District Magistrate, and also dispose of some Civil appeals that may be transferred to him by the Chief Court.

8. Under the arrangements proposed, the Additional Munsiffs Courts will no longer be itinerant, but stationary, and the allowances hitherto enjoyed by

by the Additional Munsiffs and his establishment, sanctioned by the Government in their Proceedings No 11675-6/167 dated 24th January 1891, will cease.

These are not by the same.

9. Mr Justice Ramachandra Iyer, however, does not quite agree in the proposals made above - A copy of his minute is appended The fact that the average duration of cases in our Courts is far less than in the Madras Courts should, however, be taken into consideration The duration of 1st appeals in the Madras High Court is 440 days, whereas in the Chief Court it is only 165. Comparing the duration of suits in the lower Courts in Madras and in our Province, we find that in the Bijapur District Courts, the average duration is 286, in the case of original suits, and 138, in the case of appeals, as against 335 and 183, respectively, in Madras. and in the Sub Judges Courts 152 and 69, as against 298 and 163, respectively, while in the Munsiffs' Courts it is 85 as against 168 in Madras. It cannot

therefore

9

therefore, be deemed that the work in our courts done so expeditiously, must necessarily press heavily on the presiding officers.

10 On a careful consideration of all the requirements and the necessity that exists for relief being given to the Sub Judges and Munsiffs of Bangalore and Mysore, with a view to ensure the expeditious disposal of work, the Chief Judge and Hon. Justice Muddachariyar, would strongly urge for the favorable consideration and early orders of Government, the proposals made above, the financial effect of which is shown in the accompanying Proposition Statement.

Minute by Mr. Justice Ramachandra Iyer.

— " —

With a view to compare the work of our Munsiffs and Sub Judges with that of Munsiffs and Sub Judges in the Madras Presidency, I have had a statement prepared showing the work of the Munsiffs and Sub Judges of Bangalore and Mysore and 12 Munsiff Courts and 4 Sub Courts in Madras selected at random. When I compare the aggregate work which the Munsiffs of Mysore and Bangalore have to dispose of, with what falls to the share of the Munsiffs of Vellore, Bellary, Salem or Madura, I am unable to persuade myself that there is fair work for four Munsiffs in the cities of Bangalore and Mysore. One may well ask whether the Munsiff of Mysore needs relief at all, seeing that his work is not heavier than that of the Munsiff of Vellore, Bellary or Salem. Neither

the

the Munsiff of Bangalore nor Mysore, can have reason to complain of killing work, if 300 suits are taken away from the file of each An Additional Munsiff can hold his Court six months in each station and dispose of 300 suits.

The matter rests in the hands of Government, and the statement which I have had prepared may be of some assistance in arriving at a Conclusion

The question of affording relief to the Sub Judge of Bangalore, depends upon the work which the District Judge of Bangalore has done, and ought to do. I have simply alluded to it in order that the connection of the two points may not be lost sight of.

I have more than once urged the establishment of a larger number of Munsiffs Courts in the Head quarters of some Taluk stations, in order to save to parties to Civil suits and Criminal cases, the trouble and expense of taking witnesses over a long distance. If a reform in this

direction

direction is suggested, I shall be most glad to work out the details.
